

Dear Parents and Children

Family Learning Activity (EYFS) – BRINGING BOOKS TO LIFE

Please find below details of a family learning session which you and your child(ren) are invited to attend together. This learning opportunity is funded by the RNN Group (Rotherham College) which receives funding to deliver family learning from the Education and Skills Funding Agency. This session, which will take place in our school hall, allows parents and children to work together in a fun and creative way.

BRINGING BOOKS TO LIFE

This session helps families identify methods to support children to develop their reading skills at home. Families will choose a suitable storybook from our collection and create a story sack and art/craft resources with their child. Families will be able to take home everything they make including their chosen story book.

Tuesday 25th February @ 9.00 am – 11.15 am in the School Hall

These sessions are **FREE** and to secure the free funding all we ask is that you **MUST** complete an enrolment form available from the School Office to take part in this event.

There are places available for 25 families and if you, or another family member, would be interested in attending this session to work together with your child, please complete the slip below. If more than 25 families are interested, we will draw names out of a hat. **The closing date for replies is Thursday 13th February.**

Yours sincerely

A L Tyler
Headteacher
