Dear Parents and Carers

As you are aware the Governors at Anston Park Infant School made the decision last year to join White Woods Primary Academy Trust. Joining this Multi Academy Trust means that the school is part of a separate legal entity and has left the Local Authority control as of 1st January 2018.

Parents and children should not see any significant difference. We will still have our own, elected Governing Body. There will be no change to the uniform or the name of the school.

We will now be funded separately and should benefit from a 3 to 4 per cent increase in funding, realise savings in economies of scale and centrally provided services and support. It also enables us to achieve a strong collaboration and share resources to meet the needs of the individual schools. A Multi Academy Trust can build better, shared professional development for staff across schools.

Yours sincerely

A L Tyler
