

Dear Parents/Carers of EYFS children

MILK FOR SPRING TERM 2019

For children to have a daily carton of milk in school during the Spring term, we are required to place the order with the dairy before we finish for Christmas. Milk costs 20p per carton per day and, therefore, the cost of milk for the Spring Term will be **£12.60** for children who are already aged 5 and above.

If your child is 5 during the Spring Term, please see over the page for the correct amount to pay.

If your child is not 5 until after Easter, milk is provided free of charge but please complete the slip to give permission for your child to have milk in school.

Please note that this term many EYFS children have not wanted to drink the milk ordered for them and whilst this is provided free for children under 5, the school is required to make a payment and claim this back. Also whilst we have been able to use some of the surplus milk in school, a lot of the milk has had to be destroyed. Please can we ask that you check with your child that they do want to have a drink of milk in school before you place your order. Water is also available in all classes.

If your child does wish to have milk from January to Easter, we require a signed permission slip and payment by **Friday 14th December**. Unfortunately, orders cannot be accepted after this date. Payment by cash or cheque is acceptable. Please make any cheques payable to Anston Park Infant School.

Yours sincerely

A L Tyler
Headteacher

MILK FOR SPRING TERM 2018-2019 – EYFS CLASSES

I wish my child (name)

in Class to have milk from January to Easter.

- My child is already aged 5 and I enclose **£12.60** payment
- My child will become 5 during the Spring term and I enclose payment (see below).
- My child is not 5 until after Easter and I would like to order milk free of charge.

Signature of Parent/Carer:

My child becomes age 5 during week commencing:
