

Dear Parents/Carers

An Olympic Athlete to visit Anston Park Infant School

In association with Inspired Through Sport, we are pleased to announce that a Great Britain Olympic athlete will be visiting our school in June.

Inspired Through Sport are dedicated to supporting British Athletes and inspiring the next generation of sporting heroes. They help Great Britain's best on their journey to success through their #Giving Back athlete support programme.

Why Athletes Need Support

Although athletes work and train hard, many rely solely on sponsorship from charities and families in order to reach their dream and represent their country. Whilst very high-profile athletes will often be sponsored by large companies such as Nike and Adidas, many others struggle to raise enough funds to continue in their sport.

Where Do We Come in?

In the lead up to the 2020 Tokyo Olympics, Inspired Through Sport will be bringing a GB Olympic athlete to visit Anston Park Infant School on Friday 21st June!

****EXCITING NEWS JUST IN****

The athlete visiting our school is **Jenny Tong**, a weightlifter who once attended BRIT school to pursue a career in singing and dancing and as a child also took part in Judo and BMX racing. She is now a successful weightlifter and has high hopes for the Tokyo Olympics next year.

The day will start with an assembly led by the athlete where they will share their sporting journey with the children allowing them to understand the hard work and dedication needed in order to achieve success.

This will be followed by each class completing a challenging fitness circuit with the athlete and have the opportunity to "meet and greet" the athlete and ask them any questions they may have.

This is an exciting opportunity for your child especially with the Olympics taking place next year and our very own Sports Day happening at the end of term.

With this letter your child has received a sponsorship form to complete for this event. The sponsorship forms should be completed and returned to your child's class teacher along with any sponsor money raised by the day of the visit. Please make sure the sponsor money is placed in a sealed envelope with your child's name clearly marked. Donations can also be made online via www.inspiredthroughsport.co.uk/donate. Children will receive a range of prizes depending on the amount of money raised (see sponsorship form).

The money raised will not only support our GB sporting stars but Anston Park Infant School will receive a large proportion of the money to enable us to buy new PE equipment.

Children will be required to wear their PE kit for this day so please make sure your child does have their PE kit in school, including outdoor pumps/trainers for this event.

As this is going to be a full, action packed day (hopefully outdoors but maybe in the school hall), children will be having a sandwich lunch on this day. Please indicate on the slip below if your child would like a sandwich provided from school.

For more information, please see the attached booklet and sponsorship form or ask at the School Office. We will also send out a reminder of the day's events nearer the time.

Yours sincerely
