

Dear Parents/Carers

Key Stage 1 Mini Olympics Event at Dinnington High School

We are pleased to let you know about an exciting event for our Year 2 children in Class 1 and 2 which also links to our “We are The Champions” topic.

We have been invited to join other schools from the local area for a **KS1 Mini Olympics** event at Dinnington High School by Mr Liam Kay, Head of PE, on the afternoon of Friday 14th June 2019.

In the run up to the Tokyo Olympics in 2020, this is a great opportunity for our children to be involved in this sports event alongside children from other schools in the area and also strengthens our links with the local community.

The afternoon will include:

Opening Ceremony
Skills Circuit
Medals Table
Certificates for ALL children
Closing Ceremony

Children will need their PE kit and trainers/pumps for this event. As we will be setting off from school just before lunchtime, children will require a sandwich lunch for this day. Please indicate on the attached slip if you would like a sandwich provided by school.

This event is due to finish at approximately 3.00 pm. If you prefer, your child can be collected directly from Dinnington High School at 3.15 pm. We will let you know more information about the pick-up point nearer the time.

Alternatively, children will be able to walk back to our school accompanied by Mrs Frogson, Miss Turner and other staff and will arrive back at Anston Park Infant School by approximately 3.45 pm where they can be collected from their classrooms as usual. If your child attends After School Club and is booked in for this day, teachers will take them directly to the club.

We are sure your will agree this is a fantastic opportunity for your child especially in the lead up to their transition to the next stage of their school life.

Please complete the permission slip attached and also complete the sandwich request/collection information and return to us as soon as possible as this event is less than 2 weeks away!

Yours sincerely

Mrs Frogson (Class 1) Miss Turner (Class 2)
