Dear Parents/Carers

UPDATE: Government Announcement

As you will no doubt be aware, following the announcement made by the Government yesterday evening, all schools will be closed at the end of the school day on Friday 20th March 2020 for the foreseeable future for the vast majority of pupils. (After School Club will operate as normal up to 5.45 pm).

It is our intention to remain open in line with Government recommendations for the children of key workers and those who are vulnerable.

We are finding out the latest information by watching the news, just as you are. We are currently waiting to find out who are classed as “keyworkers”.

As soon as this list is available, we would ask you to let us know if you fall into this group by email at enquiries@api.wwpat.org or by telephone 01909 550011.

We must stress that children who do not fall into this group should remain at home until further notice.

Thank you for your continued support and understanding. Please stay safe at this difficult time. We will keep you updated as much as we can.

Yours sincerely

A L Tyler
